

Confirmation Registration

2018-2019

Students who are in high school may enroll in a program to complete the sacraments of initiation by being confirmed. (Baptism, Eucharist, and Confirmation).

Our Lady of Malibu has a unique program in that Fr. Bill wants students to be disciples at the end of their preparation and not students who have sat in a class for two years.

So the preparation program involves 5 Sunday sessions. Students attend 11:00 am Mass and then participate in activities until 3:00 pm.

Other parishes have classes every other week or weekly for the two years.

Many pastors also require that a person has received the sacrament of Confirmation if the person wants to be married in the Catholic Church.

To check out this process, please plan to meet with Marie Slaton.

She will explain the requirements in greater detail.

Marie is available Sunday, Monday and Tuesdays.
