

PLANNING A MARRIAGE AT OLM

Celebrated Saturdays in the AM

Marriage Preparation: OLM offers spiritual and practical preparation for the couple, as they undertake the Sacrament of Matrimony. The couple should contact OLM at least six months before the desired wedding date. The couple will meet twice with the priest or deacon who will be the Celebrant for the wedding. He will guide the couple through the Marriage Preparation process. At the first meeting, he will acquaint you with needed paperwork (e.g., Birth Certificate, Baptismal Certificate,) the different options for marriage preparation, and help the couple to prepare themselves spiritually for this special sacrament.

Contact the Parish Office or call 310.456.2361

You may also contact OLM's Wedding Coordinator, Elaine Dawson, 818.851.9935, who can help with all of the practical details of an OLM wedding ceremony.
